TO: Regional WIC Directors

FROM: Kim Mondy

DATE: May 1, 2009

NUMBER: N-06-09

SUBJECT: Updated Infant Formula Food Packages

A copy of the updated infant formula food package numbers which includes the powdered Similac Sensitive R.S. is attached. According to manufacturer information, this formula should be available to all retailers in Montana by the beginning of June.

All participants who are receiving Similac Sensitive R.S. Ready-To-Feed should have their food packages switched to the powdered form prior to the issuance of their June checks, unless the participant has justification for the continued use of ready-to-feed formula.

Please contact Kim at 1-800-433-4298 or at kmondy@mt.gov with any questions on this formula or the conversion.
